INSTALLATION THEATRICAL ENGINEERING

THE NEXT GENERATION
OF TRACKING COMPONENTS

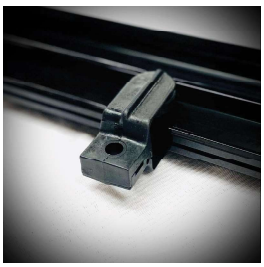
TRACKING COMPONENTS

Standard Track Runner (ITE-SR)

Suits almost all curtain systems. Suits both HD & LD tracks. Smooth, easy & quiet operation. Runners can be removed from track without removing drape. Suits 3.5mm ties

Heavy Duty Track Runner (ITE-HR)

Primarily used for House Curtains. HD track only. Smooth, easy & quiet operation. Runners can be removed from track without removing drape. Suits 3.5mm ties



Track Master Runner (ITE-MR)

For straight & bi-parting curtain systems - both cord operated and motorized. HD track only. Suits ≤10mm rope or wire rope. Smooth & quiet.

Track Cranked Master Runner (ITE-MRC)

Adjustable overlap up to 200mm per runner subject to curtain drop. HD track only. Suits ≤10mm rope. HD track only. Smooth & quiet.

Track Double Pulley (ITE-TPD)

For cord operated curtains. HD track only. Suits ≤10mm rope. Features keepers to ensure rope can never dislodge from pulley. Smooth and quiet with nylon pulleys.

Spring Loaded Double Pulley (ITE-TPSL)

For motorized straight & bi-parting curtain systems where tension on the drum must be maintained. HD track only. Easy adjustment of tension.

Track Return Pulley (ITE-TPR)

For cord operated curtains. HD track only. Suits ≤10mm rope. Features keepers to ensure rope can never dislodge from pulley. Smooth and quiet with nylon pulley.

Track Slack Rope Pulley (ITE-TPSR)

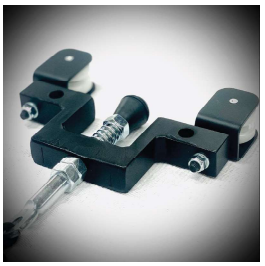
For cord operated curtains. HD track only. Suits ≤10mm rope. Features keepers to ensure rope can never dislodge from pulley. Smooth and quiet with nylon pulley. Rope can easily be removed without disassembly.

Track Soft Weighted Pulley (ITE-TPSW)

For cord operated curtains. HD track only. Suits ≤10mm rope. Soft sand bag to avoid injury. Colour can be black or safety yellow as required.

Braked Master Runner (ITE-MRB)

For hand operated curtains that are required to be fixed into place when not being moved. Ideal for side masking drapes. Suits 6.5mm rope to disengage brake and operate drape. Easy to use.



Curtain Track Suspension Brackets

ITE supply a range of suspension brackets for our light duty (ITE-LDT) and our heavy duty curtain tracks (ITE-HDT). These brackets suit threaded rod, wire rope, trim chain or flush mounted.

Please contact us for available options.
